

LOS ANGELES YACHT CLUB®

Community Sailing Membership

This class of membership is designed for people who want to learn how to sail and gain access to fantastic day sailing opportunities in the Los Angeles harbor area. Even better, this comes along with many of the other benefits of joining Los Angeles Yacht Club.

Community Sailing style Capri 22 underway.

Advantages:

1. ASA Sailing Certification.
2. Reservation system to sail boats on your schedule.
3. No need to own your own boat.
4. Includes full use of the LAYC® club house and events shore-side.
5. Boat ownership training via once per month maintenance day participation.
6. Licensed captain and ASA certified trainers

Members get to sail on their own schedule once certified.

Enjoy sailing year round on those beautiful southern California days through this special membership in Los Angeles Yacht Club. The emphasis is on the fun of boating and community while building sailing, safe seamanship and boat care skills.

Members may also enjoy the cold beer, warm friends and hot food at the clubhouse as part of their sailing outings.

Contact the membership committee chairman for more information by email to membership@layc.org or call the club office at 310.831.1203.

COMMUNITY SAILING MEMBERSHIP – LAYC®

Terms Addendum

Privileges of New Class of Membership.

- Thorough check out on the Club's small keelboats (Capri 22s or the similar boats).
- Certification to ASA 101 – Basic Keelboat Sailing.
- Once qualified, use of Club's small keelboats through reservation program.
- Access to Club's mainland facility, including ability to charge food and beverage to membership account and invitation to mainland social events.

Restrictions of New Class of Membership.

- Non-voting membership.
- No access to Howland's shore facilities or moorings reservation list, except as a guest of a regular member.
- Not eligible to hold office of a Flag Officer.
- To qualify for CS membership, one cannot own a boat over 25' within the Southern California area.

Minimum Requirements of New Class of Membership.

- Complete Club's membership selection process.
- Pay dues and assessments of this membership class.
- Participate in at least four volunteer workdays per year.
- Obtain ASA 101 certification within six months of joining this membership class.
- Payment of any damage to boats over and above normal use.

The first Saturday of each month is reserved for maintenance time on the boats.

Dues.

- Initiation fees of \$350 (covers the cost of ASA 101 certification, except for testing materials). Sailing lessons, other than an introduction to the Club's keelboats, are extra and can be arranged through the Club's adult learn to sail program.
- Regular monthly dues of \$83 for members ages 25 and over (some part of which shall be considered a facilities assessment).
- Convertible monthly dues of \$62 for members 18-24 (some part of which shall be considered a facilities assessment).
- Initiation fee and accumulated facilities assessment shall be credited towards conversion to Regular Member.

Miscellaneous.

- Regular may also subscribe to the privileges of this membership class in order to use the boats once they successfully complete a checkout (\$50). They also must participate in four workdays per year to maintain privileges.
