January 9 **Rick Olsen & John Peckham: Classic Yacht Association**

Founded in 1970 at the Long Beach Yacht Club by 13 local boat owners, The Classic Yacht Association is dedicated to the promotion, preservation, restoration, and maintenance of fine, old, power-driven pleasure craft. Rick Olsen has been photographing classic yachts since 1993; his coffee table photo book on CYA member boats will be available for folks to look through at the lunch meeting. John Peckham is Commodore of the CYA Southern California Fleet, and owns three wooden sail boats and a classic runabout.

January 16 **John Sangmeister: America's Cup World Series**

The Tritium Racing Team, owned and skippered by John Sangmeister, won the 2013 Transpac sailing race from Los Angeles to Hawaii, completing the 2,225 nautical-mile course from Point Fermin to Diamond Head in five days, 11 hours, 52 minutes and 33 seconds. John will be discussing US Sailing in general, and the upcoming America's Cup World Series to be held in our waters.

An active yacht racer, Mario Barron is a retired law enforcement professional whose last assignment was to serve as the Commander and Harbor Master of Marina del Rey Sheriffs' Station, managing water safety and rescue operations in waters between Los Angeles County and Catalina Island. As Commodore of Buccaneer Yacht Club, he is a strong advocate for yacht club membership.

January 31 **Tom Trujillo: Port of Los Angeles Harbor Cup**

US Sailing Certified Club Race Officer and LAYC member Tom Trujillo will provide an overview of the Port of Los Angeles Harbor Cup Regatta sponsored by our Club, review the teams and entries, and outline the duties required for running this regatta, Transpac 2019, and other LAYC sponsored races.
