PORT OF LOS ANGELES
HARBOR CUP
Invitational Intercollegiate Regatta
March 8 -10, 2019 San Pedro, CA
Hosted by Los Angeles Yacht Club
The Port of Los Angeles gives to the Los Angeles Yacht Club a perpetual trophy described as a sterling silver cup, 18” in diameter, 36” in height with a mahogany base 16” rounded, named the “Port of Los Angeles Harbor Cup Perpetual Trophy.”

The Port of Los Angeles strongly supports encouraging young men and women to enjoy the benefits of competitive sailing. Corinthian values that promote the highest level of sportsmanship, fairness, courtesy and grace in victory or defeat are valuable traits that all young men and women should aspire. Environmental awareness, stewardship and developing a love of the ocean are other important by-products of getting out on the water at an early age.

This trophy will be awarded to the winning team competing in the annual Port of Los Angeles Harbor Cup - Cal Maritime Invitational Intercollegiate Regatta. The Board of Directors of the Los Angeles Yacht Club shall have and retain full power and authority to determine all questions as to awarding the trophy.

The trophy shall be kept and displayed on the premises of the Los Angeles Yacht Club and maintained in good condition. The Los Angeles Yacht Club Board of Directors may authorize the trophy to be displayed at an alternative location at their sole discretion.

Dear Friends:

I welcome the participants and spectators of the 12th Annual Port of Los Angeles Harbor Cup. Each year, some of the most talented sailors from across the nation and around the world gather at the Port of Los Angeles to compete for the sought-after Harbor Cup.

This experience is rewarding for everyone involved, from sailors to supporters alike. I invite you all to watch these races and cheer along with the competitors of this regatta, and enjoy one of the unique, hidden treasures of our city: the LA Waterfront.

I wish you all fair winds now and in the future.

Sincerely,

ERIC GARCETTI
Mayor, City of Los Angeles
March 8, 2019

Dear Friends:

It is my pleasure to welcome you to the 12th annual Port of Los Angeles Harbor Cup!

I would like to welcome participating sailors, families, and spectators to the Port of Los Angeles. We are proud to support the Los Angeles Yacht Club in hosting this annual sailing event.

The County of Los Angeles is honored to have the premier offshore collegiate sailing team in this intense three day West Coast sailing regatta. The beautiful waters of the Los Angeles harbor will provide competitors with the opportunity to match their skills against some of the best collegiate sailors in the country.

While staying in San Pedro, be sure to visit some of our local treasures, such as the Los Angeles Maritime Museum, the Battleship IOWA, SS Lane Victory, and Cabrillo Marine Aquarium. You will also find a vast array of local eateries with a variety of cuisines to refuel after a rigorous day of sailing. On behalf of my hometown, I wish you fair winds and a safe and competitive weekend.

Sincerely,

JANICE HAHN
Chair of the Board of Supervisors
Supervisor, Fourth District
County of Los Angeles

Dear Friends,

On behalf of the City of Los Angeles, I would like to welcome all participating sailors and spectators to the 2019 Port of Los Angeles Harbor Cup/Cal Maritime Intercollegiate Regatta.

This year is the 12th anniversary of this incredible event, which showcases the most talented collegiate sailing teams across the United States. The City of Los Angeles is honored to host this unique Pacific Ocean regatta, held in the beautiful waters outside Angels Gate.

While at the LA Waterfront, be sure to visit some of our unique attractions such as the historic Battleship IOWA, as well as CRAFTED at the Port of Los Angeles – a marketplace filled with handmade goods. We are thrilled you are here in San Pedro.

On behalf of the Los Angeles Harbor community, I wish you a safe competition.
Dear competitors and sailing fans,

Welcome to the 12th Annual Port of Los Angeles Harbor Cup Intercollegiate Regatta. On behalf of California State University Maritime Academy, I would like to thank the Port of Los Angeles and the Los Angeles Yacht Club for their incredible support and hospitality.

Competitions featuring scholar athletes – like those who comprise the teams in this regatta – enrich student life and provide a unique showcase for institutions of higher learning. Participation in intercollegiate athletics also complements the unique curriculum of Cal Maritime – providing opportunities for leadership development and teamwork.

Good luck to all of this year’s teams and continued success to everyone involved in this great event.

Sincerely,

Tom Cropper
President
California State University Maritime Academy

Dear Friends:

For the 12th consecutive year, the Port of Los Angeles is proud to sponsor the 2019 Port of Los Angeles Harbor Cup, hosted by California Maritime Academy at the Los Angeles Yacht Club.

Accomplished teams from all over the world are here in L.A. for this annual collegiate race that promotes discipline, teamwork, and environmental stewardship—and offers some of the best competitive sailing waters in the nation.

Be sure to take in all of the sights and sounds of the harbor as you and your supporters experience the incredible history, sweeping views, and true sense of community found here on the LA Waterfront.

We wish you all fair winds and a safe, memorable weekend.

Sincerely,

EUGENE D. SEROKA
Executive Director
On behalf of the Los Angeles Yacht Club, I am pleased to welcome you to the 2019 Cal Maritime Invitational Intercollegiate Regatta Port of Los Angeles Harbor Cup. We are excited to be hosting the 12th annual Harbor cup and are looking forward to seeing all the competitors back to compete for the Harbor Cup Perpetual Trophy.

In addition to managing the race course, Los Angeles Yacht Club members enjoy supporting a fleet of spectator boats for the races, providing accommodations for out of town teams on our members’ boats and some great evening events. We are extremely proud this year to present legendary racer, Gary Jobson, as our keynote speaker on Saturday night.

Los Angeles Yacht Club members hope the 2019 Port of Los Angeles Harbor Cup is truly a memorable experience for all the teams. Wishing all competitors an exciting regatta!

Sincerely,

Keynote Presentation

Gary is a former All-American collegiate sailor. Gary has won many championships in one design classes, the America’s Cup with Ted Turner, the infamous Fastnet Race and many of the world’s ocean races. In college at State University of New York Maritime (SUNY) he was an All-American sailor three times and was twice named Intercollegiate Sailor of the Year. Gary is also an active cruising sailor.

Gary was inducted into the National Sailing Hall of Fame (2011) and the America’s Cup Hall of Fame (2003) by the Herreshoff Marine Museum. In 1999 Jobson won the Nathanael G. Herreshoff Trophy, US Sailing’s most prestigious award.

As a broadcaster/producer (he is ESPN’s Sailing Analyst), lecturer, and writer (he is Editor at Large for Sailing World and Cruising World magazines), Gary is the preeminent ambassador for sailing in the U.S.
Cal Maritime Sailing is looking forward to competing again at the LA Harbor Cup! The team is very excited to step up their game after a disappointing fourth place finish in last years event. This year, the name of the game has been big boats. With the recent acquisition of an Andrews 77, Cal Maritime Sailing will use the Harbor Cup to hone their skills as a team before competing in the Newport Beach to Cabo Race as well as the 50th Transpac from LA to Hawaii this summer.

The Team returns with Tyler Wolk as coach for a fourth year. Returning competitors include Johannes McElvain (3), Ben Rohr (3), Emi Stephanoff (2), Ryan Schack (2), and Nolan Van Dine (3). First timers include Brock Paquin, Lucas Earley, and Hailey Thompson.

The College of Charleston Offshore Sailing Team is excited to compete at the 2019 Port of LA’s Harbor Cup. The Cougars return for their 7th year in a row, with an impressive history at the event.

This year’s team consists of a very talented group of sailors from around the globe. They are eager to get on the race course after a successful fall season with an overall win at the Larchmont IOR and second at the McMillian Cup.

Coach Ned Goss will be accompanying the team to LA. He has lead the team to much success during its inception. The 21-member team regularly practices on their Melges 30 and J/36 in Charleston Harbor and is proudly represented by the following sailors this year- which they are honored to attend!

Cork Institute of Technology Sailing club is a team of college sailors from the South of Ireland that compete in events on a national and inter-national level. We compete in the Irish University Sailing Association team racing circuit regularly throughout the year. The team competitively races in J80’s and 1720’s and are looking forward to racing the Catalina 37’s again.

Our team is excited to be invited back to such a great event and are pumped to take on the challenge again this year.

The SUNY Maritime College Sailing team is looking forward to the 2019 Harbor Cup Regatta. Fresh off a historic fall season where the team captured wins at both the McMillan and Kennedy Cup Regattas the Privateers are eager for the chance to succeed in sunny California. The team has been hard at work all fall season practicing aboard our J44 Charlie V which is a perfect work horse to train for the collegiate keelboat circuit. The Privateers are coached by Alicia Martorella. No team has won all three major keelboat regattas in the same year and the privateers hope to make history this year to round out a perfect season.

The US Coast Guard Academy Offshore Sailing team is excited to be returning to Harbor Cup this year. They are an ambitious and dedicated group of student athletes with a diverse sampling of sailing experience. They divide their time between their J44, Glory, their two Melges 32s, Jammy Beggar and Hedgehog, and the Academy’s fleet of J70s. As cadets, team members are pursuing an academically rigorous bachelor’s of science degree, while completing a military training program focused on the Coast Guard’s core values of Honor, Respect and Devotion to Duty. Upon completion of their 200 week journey, they will earn a commission as officers in the US Coast Guard. The Offshore Sailing team augments this training, allowing team members to enjoy competing on a varsity sports team while developing leadership and practical skills which they will use throughout their careers. The team wishes to thank California Maritime Academy and the Port of Los Angeles for this opportunity and Director of Sailing Doug Clark for his instruction and guidance. They look forward to a great weekend of sailing. Go Bears!

The US Merchant Marine Academy or as the school seems to be more commonly known “KP” is located on the western edge of Long Island Sound at the mouth of the East River. KP is also less commonly known as being the 5th US Service Academy. We are very excited to be participating in the Harbor Cup this year. Due to the academies Sea Year Semesters, we will be fielding a very young but dedicated team. The roster will be all 3rd classmen and “Plebes.”

The team is coming off a very successful 2018 with a division win at the American YC Spring Series and a division second place in the Vineyard Race proving they can be successful both around the buoys and offshore.

We are really looking forward to taking part in collegiate one design big boat racing.

The Varsity Offshore Sailing Team (VOST) practices and competes during the Fall, Spring, and Summer aboard Navy 26s, Navy 44 Sloops, and a variety of donated offshore sailboats. Competitions involve both intercollegiate and civilian teams. During the summer, VOST focuses on both offshore distance races such as the Marblehead to Halifax race and short course regattas like the NYYC Anniversary Regatta. Midshipmen also race to Bermuda each summer as part of the Professional Development Training Program. Additionally, VOST members represent the Naval Academy at National and/or World level regattas both domestically and internationally. The Naval Academy has the largest offshore sail training fleet for collegiate sailing in the United States and hosts many of intercollegiate sailing’s big boat regattas. This year’s Harbor Cup crew looks forward to competing in Los Angeles, representing the Naval Academy, and defending last year’s title.

The UCLA Sailing Team is a student-run club team that practices out of Marina Del Rey and competes in regattas throughout the Pacific Coast Conference. The team is comprised of captains Leah Ford and Abe Dearden and includes about 20-30 active team members as well as support from volunteer coach Kylie Sullivan. This is UCLA’s first time competing in Harbor Cup and the team hopes to attend the event in the future.

The University of California, Santa Barbara Sailing Team is very excited to be attending our third Harbor Cup! The UCSB club sailing team is comprised of 41 talented sailors from all around the world who each bring a different skillset to the team. Our team has done exceptionally well in recent years competing in intercollegiate dinghy regattas and national championships and we continue to improve as a one of the highest ranked club teams in the nation. The UCSB Harbor Cup team brings together our best big boat sailors who have experience competing on the international match race circuit, winning various dinghy national championships, and hold offshore racing wins. Our keelboat team who hold experience sailing everything from J70s to Santa Cruz 70s is looking forward to sailing the Catalina 37s and competing against other top teams in the nation.

The University of Southern California Varsity Sailing Team represents an integration of intense competition, extreme focus, diversification, and lots of fun. The rigors of sailing on the team rivals those of the classroom. Team members must balance work with play (both college sailing and college), while maintaining the academic excellence that was required for USC admittance. Practices are strenuous, goals are challenging, and expectation are high. Skills of leadership and teamwork are paramount and our number one goal (as it has been for decades) is that this should be some of the most fulfilling years of your life, particularly in sailing. We are made up of sailors who have both a diverse academic and most importantly sailing background. Members include Cliff Lester, Grace Yakutis, Nicholas Stefanoni, Sabrina Moreno, Sarah Alexander, Will Dana, Britton Hammock, and Will Paulsen. We are grateful to be able to participate in this regatta and thankful for Los Angeles Yacht Club.

Thank you to the many LAYC members who generously provide their time, boats and hospitality.
The Los Angeles Yacht Club is indebted to the following members who made their yachts and homes available to berth this year’s racers. Without this generous hospitality, many teams would not be able to participate in the Regatta due to the high cost of lodging. Your generosity and passionate commitment to intercollegiate sailing is appreciated!

The Catalina 37 fleet, donated by Frank Butler, the president of Catalina Yachts, has been used for Long Beach Yacht Club’s signature event, Congressional Cup, for more than two decades. The Long Beach Sailing Foundation, a 501 (c)(3) nonprofit organization was formed in 1991 to own, manage and maintain the eleven “37s.” As a part of its mission, the Foundation undertakes activities that promote national and international amateur sailing, maritime education and youth sailing opportunities. In the process you will find the Catalina 37 fleet at the core of all the work the Foundation does. This Harbor Cup weekend you will see the Catalina 37’s in the hands of some of the best collegiate sailors and skippers in United States.

To provide the fairest possible racing, the Foundation maintains the boats to an identical standard in all performance-related areas: weight, equipment, rig tuning and sails. This is possible through the tremendous efforts of dedicated volunteers, contractors and supporters. The Foundation is honored and grateful for the wonderful partners that are essential to maintaining the fleet. Special thanks go to Catalina Yachts, Bahia Marine/Quantum Sails Long Beach, our maintenance partner and to Sampson Rope Technologies for “keeping the fleet rigged.”

The Long Beach Sailing Foundation is proud to participate with Los Angeles Yacht Club, Cal Maritime Academy and the Port of Los Angeles in supporting intercollegiate fleet racing and helping to make Harbor Cup the outstanding event that it is.

INTRODUCING THE 2019 RDX

Born from our limitless imagination, the RDX offers powerful acceleration with a 272-hp turbocharged engine, rail-like cornering through available Super Handling All-Wheel Drive™, and inspiring versatility via 79.8 cubic feet of cargo space*. Imagination built the 2019 RDX and evolved not just what’s possible in an SUV, but also what’s possible at Acura. The future starts now. The future is the 2019 RDX.

*Based on SAE J1100 cargo volume measurement standard plus floor space between first and second seats and front seats moved forward. This figure compares more accurately with most competitive measurements.
