

LOS ANGELES YACHT CLUB®

2020 BREAKOUT REGATTA SERIES

AMENDMENT #5

Breakout Race Four

In order to allow competitors to choose between the long (Transpac qualifier "T") course and a shorter course, for Breakout Race Four the starting sequence is modified as follows:

Race four

The first start is for the Transpac 150-mile course including both Class A and B.

The second and third starts will sail the Breakout Race Three courses (see course chart, version 2).

1154 attention signal for T boats

1155 warning for T boats

1200 start for T boats

1205 start for additional Class A

1210 start for additional Class B

If there are no additional Class A boats starting for the shorter course then the sequence proceeds directly to additional Class B.

1200 start for T boats

1205 start for additional Class B

All competitors shall email your course preference with your crew list before 1900, Friday August 28th to davidcollins@mindspring.com

Based on the competitors' preference the race committee will broadcast the pertinent sequence on VHF channel 71 prior to the attention signal for class T. There is a minimum requirement of two boats for any start.
