

LOS ANGELES YACHT CLUB®

2020 BREAKOUT REGATTA SERIES

AMENDMENT #6

Breakout Race Four and overall scoring for the series.

In response to competitors' requests LAYC has added a short course alternative for race four (Amendment #5).

By offering a short course for both classes we have created the issue of how to score the overall series, because there will be two first places within a class for completely different courses. Fairness must remain foremost in our considerations.

This short fourth course was not included in the Notice of Race or the Sailing Instructions. Race Committee has decided to treat the short course for race four as a standalone event. Competitors racing the short course will be scored in race four of the series as DNS. However, the short course will be scored separately, so it is important for every competitor to email their finish time to the PRO regardless of which course they sail. Please send your email with finish time within 10 minutes of your finish.
