ANGELS GATE BISTRO

A Note From The Commodore

WELCOME!

You will note some differences in how we have arranged the tables and the attire of the staff. LAYC has made these changes to comply with the law related to the re-opening in the time of COVID-19 and to ensure that our members can have a safer dining experience. Please be mindful of posted social distancing requirements, use of face masks (other than while eating or drinking), and other protocols. Please also cooperate with any direction of the staff. Thank you in advance for your cooperation.

With that in mind, we hope that you enjoy your dining experience!

“I Will Stand by to Assist You”

In support of international efforts to mitigate and eventually eradicate Covid-19, Los Angeles Yacht Club is flying three international signal flags from our mast : *Charlie-Golf-One*

This three flag combination is the international signal meaning

“I Will Stand by to Assist You”

We join yacht clubs around the world in displaying this signal to the Club’s members and to the community at large:

We are here to assist.
